INDEX

Acquired characteristics, evolutionary theory and, 276
Africa: Muyombe kinship, friendship, and exchange, 55; Kofyar warfare, 139; names among Kaguru of Tanzania, 281
Agnation and male dominance, in Serbian kinship, 95
Alland, Alexander, Jr., article by, 271
Alternatives, emic rules and, 243
Alyawara (Australia), population structure, 194
Ambiguity, cultural authorities and, 247
Anatomy, Bella Coola and English scientific head bone names, 174
Arboreality, among primates, 215
Archaeology, Northern Plains, 2
Arikara, proto-historic, 1
Armed conflict, among the Kofyar, 139
Ascent and descent: patterns in Tewa narrative, 35; contrast with Western motifs, 39
Asia, western India, patrons and group mobilizers in, 228
Attwood, D. W., article by, 225
Australia, Alyawara population and lack of infanticide, 194

Behavior and norms, in kinship, friendship, and exchange, 55
Behavioral patterns, norms as complement to, 62
Beidelman, T. O., article by, 281
Bella Coola, ethno-osteology, 174
Boa Ventura: kinship, friendship, and exchange in, 55; comparison with Muyombe, Zambia, 55
Body parts, Bella Coola and English scientific head bone names, 174
Bond, George C., article by, 55
Borthwick, Mark, article by, 252
Brazil, kinship, friendship, and exchange in Boa Ventura, 55

Cancian, Frank, article by, 164
Cargo system: in Zinacantan, 164; prestige in, 165; breakdown of, 168
Caribbean, early Spanish ecosystem on Cuba, 294
Central Plains cultural tradition, 3
Change, in Kaguru naming practices, 291
Clan, and lineage, development of, 89
Cognitive models, inadequacies of, 242
Conflict, armed: among the Kofyar, 139; attitudes toward, 156; causes of, 150; endemic, effects of, 156; native explanations of, 157; role of kinship in, 157
Consensus, Guttman scales and, 252
Cosmology, Tewa, 35
Cousins, preference and recall in Serbia, 96
Cross cultural research, 69
Cuba, early Spanish ecosystem on, 294
Cultural authorities, ambiguity and, 247
Culture change, in the Zinacantan Cargo system, 164

Darwin, evolutionary theory, 271
Davis, Dave D., article by, 294
Davis, Philip W., article by, 174
Decision making, individual, 63
Defense mechanisms: psychic, 17; as universal features of human personality, 31; cultural determination of, 28; relationship to other personality factors, 32
Demography: Alyawara, 194; of pri-

mates, 199; aboriginal Cuban, 299
Denham, Woodrow W., article by, 191
Descent, unilineal, development of, 69; types of unilineal groups, 77; specified versus putative, 79; in relation to population size, 84
Dissensus, Guttman scales and, 252
Dissolution, Spencer's evolutionary theory and, 276
Dual organization, 84
Dyadic contract, critique of, 62
Dyads, transactions, and networks, 65

Ecology: of the Warao, 116; of primates, 199
Ecosystem, role of manager, 295
Ecosystem management, early Spanish settlements on Cuba and, 302
Edelman, Sandra Prewitt, article by, 35
Ember, Carol R., article by, 69
Ember, Melvin, article by, 69
Emics, and etics, 242
Equilibrium, cultural, 3
Entrepreneurs, political: patrons and group mobilizers as, 225; in agrarian state, 228
Environment, role in Spencer's theory of evolution, 273
Ethnic boundaries, definition of: among the Kofyar, 160; in Zinacantan, 167
Ethnomedicine, in Venezuela, 41
Ethno-osteology, of the Bella Coola, 174
Etics, and emics, 242
Europe, Serbian kinship, 95
Evolution: of nomenclatural systems, 189; Spencer's view of, 271; Darwinian theory, 271
Exchange of goods and services, norms and behavior in, 55
External relationships, of Northern Plains village cultures, 10

Folk disease: in the Venezuelan Andes, 41; "cold" diseases, 46; etiology and cure of, 43; "hunger" diseases, 44; indigenous and Spanish beliefs about, 51; natural category of, 44; preternatural category of, 47
Food availability, among primates, 214
Food, exchange of, 58; 126
Friendship, norms and behavior, in Zambia and Brazil, 55

Goods and services, exchange of, 55
Group mobilization, in western India, 225
Group size, among primates, 213
Guajiro: personality and culture of, 17; cultural summary of, 19; personality of, 21
Guttman scales, 252

Hammel, E. A., article by, 95
Harris, Marvin, article by, 242
Head bones, names in Bella Coola and English scientific systems, 178
Heinen, H. Dieter, article by, 116
Hidatsa, proto-historic, 1
Hunger, and folk disease, 50
Hunter-gatherers: infant mortality among, 192; infanticide among, 193; population dynamics of, 193

India, western, patrons and group mobilizers in, 228
Infanticide: population structure and, 192; atypical among hunter-gatherers, 193; infant transport and, 194
Internal stability, in Northern Plains village cultures, 3

Johnson, Allen, article by, 55
Jorde, L. B., article by, 199

Kinship: norms and behavior in Zambia and Brazil, 55; ideology and power in, 95; agnation and male dominance in, 95; preference and recall in, 101; effect of social mobility on, 103
Kofyar (Nigeria), warfare among, 139

Lineage, and clan, development of, 89
Linguistics, Bella Coola head bone toponymy, 174

Male dominance: in Serbian kinship, 95; correlation of selected variables with, 107
Mandan, proto-historic, 1
Manioc, aboriginal cultivation on Cuba, 300
Marshall, Mac, article by, 252
Materialism, cognition and behavior and, 248
Maturation, among primates, 214
Mexico, stratification in the Zinacantan Cargo system, 164
Micronesia, Namoluk Atoll, consensus and dissensus among respondents to political questionnaire, 252
Middle Missouri cultural tradition, 3
Missouri River, village cultures of, 1
Models, idealist, 242
Moriche palm, use by the Warao, 116
Muyombe (Zambia): kinship, friendship, and exchange in, 55; comparison with Boa Ventura, Brazil, 55
Myth and folktale, Tewa, 35

Netting, Robert McC., article by, 139
Networks, dyads, and transactions, 65
Nigeria, Kofyar warfare, 139
Names: among Kaguru of Tanzania, 281; social groups and, 282; traditional, 285; given at initiation and marriage, 290; non-Kaguru, 291
Nomadic hunters, of the Northern Plains, 10
Non-Brahman movement, in western India, 232
Norms and behavior, in kinship, friendship, and exchange, 55
Norms: structural constraints of, 61; behavior as complement to, 63
North America (north of Mexico): internal stability and external relationships on the Northern Plains, 1; Tewa narratives, 35; Bella Coola ethno-osteology, 174
Northern Plains, internal stability and external relationships, 1

Osteology: English scientific and Bella Coola systems, 174; evolution of nomenclatural systems, 189

Palm starch, recovery of and distribution among the Warao, 116
Pasternak, Burton, article by, 69
Patronage, in western India, 225
Physical anthropology, statistical analysis of primates, 199
Pleistocene hunter-gatherers, infanticide among, 193
Political entrepreneurs: patrons and group mobilizers as, 225; agrarian state and, 228
Political offices: evaluation of difficulty of duties by Namoluk Atoll residents, 255; Namoluk Atoll ranking of, 261

Politics, patrons and group mobilizers and, 228
Power, political and economic, and kinship ideology, 95
Prehistory, Northern Plains, 2
Primates: demography, ecology, and social behavior of, 199; group-size among, 213; terrestriality among, 213; food availability among, 214; maturation among, 214; arboreality among, 215; sex ratio among, 215
Processual analysis, of patronage and group mobilization, 236

Research method: for gathering psychocultural information, 18; in study of folk medicine, 41; for kinship data in industrial society, 97; product-moment correlation and partial correlation, 205; stepwise multiple regression, 209; principal components analysis, 211; multidimensional scaling and factor analysis, 218
Residence, and descent, 70
Resources, zoned, exploitation of, 6
Reversal, symbolic, in Tewa literature, 39
Ritual: of the Warao, 126; economic and prestige functions of, 133
Roles, patrons and group mobilizers, 226
Rules, emic, alternatives and, 243; knowledge of and prediction of natives' acts, 242
Rules, knowledge of and prediction of natives' acts, 242
Ruddle, Kenneth, article by, 116

Saunders, Ross, article by, 174
Selection, "V" and "K," 210
Serbia, kinship in, 95
Settlement pattern, early Spanish occupation of Cuba and, 302
Sex ratio, among primates, 215
Social behavior, of primates, 199
Social mobility, in Zinacantan, 169
South America: Guajiro personality and culture, 17; Venezuelan folk disease, 41; Brazilian kinship, friendship, and exchange, 55; Warao ecology, ritual, and economic organization, 116
Spencer, Herbert, theory of evolution, 271
Spuhler, J. N., article by, 199
Stratification, in the Zinacantan Cargo system, 164
Stress, ecosystem and, 296
Suarez, Maria Matilde, article by, 41

Teknonymy, use by Kaguru of Tanzania, 284
Teleology, Spencer's evolutionary theory and, 273
Terrestriality, among primates, 213
Tewa, myth and folktale, 35
Trade, intertribal, 10
Transactions, networks, and dyads, 65
Tribal society, compared with peasant society, 57

Unilineal descent: development of, 69; types of unilineal groups, 77; in relation to population size, 84; evolution of, 89

Venezuela: Guajiro, personality and culture, 17; folk disease in, 41; Warao ecology, ritual, and economic organization, 116
Village cultures, of the Northern Plains, 1

Warao (Venezuela): economy, ritual, and economic organization of, 116; traditional food quest of, 119
Warfare: formation of unilineal descent groups and, 72; among the Kofyar, 139; techniques of,

142; causes of, 150; attitudes toward, 156; endemic, effects of, 156; native explanations of, 157; role of kinship in, 157
Watson, Lawrence C., article by, 17
Wood, W. Raymond, article by, 1
Yarbrough, Charles, article by, 95
Zambia, Muyombe kinship, friendship, and exchange, 55
